A four-player group action game!

QUARTET

The sound of gunfire can only mean that the QUARTET is engaged in another of their many fierce battles.

EDGAR
Noted for his jumping ability, he is the most cool-headed of the 4 space fighters

LEE
He is well known for his quick and skillful maneuvering of the wide beam gun

MARY
Years ago her parents were killed by space pirates Although smaller than the others, she is very proficient in operating the powerful bazooka

JOE
Although possessing a reputation for being cold blooded, he is in reality a most compassionate person Among those in the QUARTET, he moves the fastest

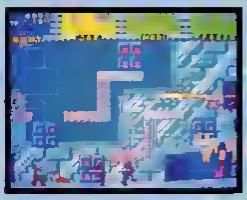
QUARTET



SPACE COLONY "06" has been attacked by space pirates To put an end to their plundering, a private rescue team calling themselves the "QUARTET" is recruited and has arrived to carry out its mission
The group is comprised of Lee, Joe, Mary and Edgar who are all highly professional marksmen The four can perform to their full potential only if they fully cooperate with one another In each of the various stages of COLONY "06", the foe's leader comes forth to confront you in battle Defeat him and capture the key

HOW-TO-PLAY

Destroy the master who appears in each stage and take possession of the key With it you can open the EXIT door and proceed to the next stage
Maneuver the player by using the 8-WAY JOYSTICK, JUMP button and SHOOT button Every time a stage is cleared, a presentation ceremony is held
In each stage, POWER-UP GOODS appear When capturing them, various advantages and points are gained Three examples of these screen illustrations are shoes increases your speed, a watch stops the enemy, and a ball capturing one which is the same color as that of the player increases your shooting power
The jumping skill, speed and shooting power of the four characters differ from one another. An understanding of their abilities is a key point in determining who wins or loses

A superb game that can accommodate up to 4 players simultaneously, thus assuring you of up to a fourfold return on your investment.

GAME FEATURES

1~4 people can participate in this game at anytime.
One of the major attractions of QUARTET, is that when the players are taking part in the game, they are required to cooperate with each other and play as a team against the common enemy for the sole purpose of destroying the enemy's master, a revolutionary new feature never before seen in a conventional machine.
When considering its space, price and 4 player feature, QUARTET is sure to become one of the most profitable games you've ever operated.
Even during play, power can be increased, and the game continued by inserting coins.
